Re: U.S. v. Malcolm Hogue  
23 Cr. 442 (JLR)

**SO ORDERED.**

  
**JENNIFER L. ROCHON**  
United States District Judge

Dear Judge Rochon:

This letter is respectfully submitted on behalf of the defendant, Malcolm Hogue, to request that the Court direct the U.S. Marshals Service to take Mr. Hogue out of the Metropolitan Detention Center on Friday April 12, 2024, so that he can attend the funeral service for his mother, Julie Hogue, who passed away suddenly on April 3. The funeral service will be held at the Ortiz Funeral Home, 2580 Grand Concourse, in the Bronx, from 5-9 p.m. If for any reason, the Marshals cannot allow Mr. Hogue to attend the complete service, it is respectfully requested that they take him to the funeral home at the start of the service, so that he can pay his final respects to his mother. Mr. Hogue is scheduled for a change of plea hearing before Your Honor on May 9 and recognizes that he is likely to spend a significant time in prison and therefore, will not have an opportunity to say goodbye to his mother for several years. He would like the opportunity to honor his mother one last time by attending her funeral service.

I have been in contact with AUSA Burkett in connection with this request and he advised me that the Marshals Service has stated that it cannot take Mr. Hogue to the service due to unspecified "security concerns."

Thank you in advance for your consideration of this request.

Respectfully submitted,

Avraham C. Moskowitz
